17<sup>th</sup> October 2019

Dear Parents,

No doubt, your children have been telling you all about our exciting Learning Journey titled: It started with a letter. As part of their learning we have organised an educational visit to **Sea Life Adventure in Southend** on **Wednesday 20<sup>th</sup> November** for both Maple & Willow class.

After half term, we will be learning all about the oceans and the variety of animals that live on our wonderful planet earth. We will also be focusing on the text 'Dear Greenpeace' and understanding the many ways we can all help to look after our planet by writing letters to persuade people to help take care of the environment.

The children will have the opportunity to see these animals up close and have their learning brought to life. The aquarium host are passionate about the animals and ocean allowing the children to have any questions they have answered by a marine expert! The children will get the exciting experience of exploring their local and tropical rock pools and even touch some of the animals.

The voluntary contribution for the trip will be **£17.00 to cover the cost of admission and transport** by coach. Please be aware that although contributions are voluntary, if a significant number of contributions are not received then the trip will have to be cancelled.

We will be leaving at approximately 9:00 and will be back for you to collect your child from school as normal. If you are able to volunteer for the trip please indicate on the form below.

Thank you for your continued support in our Learning Journey

Miss Edwards and Miss Hill (Class teachers)
