Wednesday 11th March 2020

Dear Parents,

We have two final events coming up for Cherry Class I wanted to let you know about.

Thursday, 19th March A Night In The Daytime

On this day we will be continuing our work on time alongside exploring materials and nocturnal animals. We would like the children to come to school in their nightwear; pyjama's, nightie or onesie. They should have slippers to change into or can wear their school shoes as well as a dressing gown to keep them warm (or a jumper/ cardigan). We will not be using the outdoor classroom on this day. We would like the children to bring in a torch as well to help them explore different materials.

We will have an evening throughout the morning including hot chocolate (which will be warm, not hot) then will 'wake up' after lunch and have breakfast in the afternoon.

Friday, 3rd April Fabulous Finish

To finish our topic this term, we are going to repeat our stunning start activities. This time however, as the children are now experts after all our work on buildings and landmarks, parents are invited in to try the activities so the class can teach and work alongside you to show you how to be an architect and designer.

This will be a drop in session and will run from 8:40-11:45. You will need to sign in at the office and are welcome in at anytime in the session and you can stay for as long as you want. Younger siblings and other family members are welcome but older children already in other classes in our school will not be allowed to come and join us.

Any questions, please come and see me.

Yours faithfully

Miss Luck
