Improve your English at one of London's top colleges!

We run highly successful English language courses at our Hackney, Havering, Tower Hamlets (Poplar) and Redbridge (Ilford) and Epping Forest campuses from entry and beginner through to intermediate and advanced level. Our friendly and experienced teachers will be able to help find the right course for **YOU**.

Most of our courses have two - four lessons a week either in the morning, afternoon or evening from Monday – Friday. You will also be able to take other courses including maths, IT and other vocational subjects.

"Thank you to my colleagues, who despite being very culturally different, there was always a lot of respect, mutual help, friendship and humility."

"As teachers you gave me the tools I need to face my future, I also really enjoyed your classes."

"Thank you for being such amazing teachers and for all the great lessons."

Our ESOL Mission

Our ESOL classes will help you make excellent progress in your language skills so you can:

- ✓ use digital skills in your everyday life
- ✓ improve your well-being
- ✓ communicate with employers, colleagues, clients, teachers, health worker and neighbours
- ✓ play a role in the community
- ✓ progress into a career or higher professional education
