NB:

- In order to view your child's design, you type in their name and the drawing will show up.
- If you have more than one child in the school, you can view more than one design and just select the image you want to use for each product.
- When you go to the checkout to pay, it does prefer you to use paypal, but if you keep going through you get the option to pay by card
- Remember you can upload your own photos and drawings in addition to your child's Christmas drawing e.g. Christmas cards with the children's drawings on and thank you cards with a photo that uploaded.
