ACTIVATE

Half Term

Essex County Council & Basildon Council have allocated funding so that we can continue our support during the shorter school holiday!

Eligible families can access FREE holiday clubs this Summer Half Term (May 30th-June 1st). This support is delivered by Active Essex & a network of locally trusted organisations, on behalf of Essex County Council.

Clubs are FREE for school aged young people who are eligible for benefits based free school meals or from low income working families.

Families can choose from over 75 clubs across Essex, with SEND Hubs & Mental Wellbeing Hubs also on offer to provide more tailored support.
