

To Parents/Carers of Pupils in Reception Classes

Dear Parents/carers

Road Safety Indoor Presentation

You are invited to attend with your child and their class, a Road Safety presentation delivered by the Safer Essex Roads Partnership.

The date of the session is **Thursday 6th October 2022** from 9am at your school (School Hall).

This is an informative 40-minute indoor presentation for both parents/carers and their children.

We hope that you can attend with your child as it is important that parents/carers are here to see the presentation so that the key messages can be continually reinforced by yourself afterwards. To ensure that we cascade the important information, we need a minimum of 10 parents/carers to attend each session. If you can't attend, you can nominate a close family member to come in your place.

Please drop off your children to school at normal time. The class teacher will bring children to the presentation, as a class, approximately 15 minutes after the start of the presentation.

We look forward to meeting you all on the above date.

Yours sincerely

Safer Essex Roads Partnership Education Team
